CHARLIES DAY

FROM THE PRESIDENT

Our season got off to a good start with the sun shining for our Opening Day and a large crowd in attendance. Since then it has been as hectic as ever with the Captains v Presidents day, the Mazda City day, the Jazz night and now the pennant season is well under way.

Obviously we are operating under some difficulties with court availability, however we can all look forward confidently to 1993 when the final bay of courts comes back into play and our three year re-construction programme is finalised.

The club has signed a three year deal with Pepsi which coincides with our appointment as host club for the Junior Hopman Cup by Pepsi to be held towards the end of December. Part of the Pepsi deal places an emphasis on our junior programmes from which our Provisional Junior Group have already benefited.

Mark Watson has tendered his resignation after some ten years service to the club as groundsman and will be pursuing other interests after taking a well earned holiday with his family. We wish Mark well with his future endeavours.

The year is passing quickly and Christmas is almost upon us once more. I take this opportunity to wish all members a safe and happy Christmas with their families and friends and a Happy New Year.

MAZDA CITY FUN DAY

This was another enjoyable and successful day held on Sunday 25 October. Howard Bessant and David Lauder were there representing Mazda City. In addition to sponsoring our State League for this year Mazda City also made available some excellent prizes for this event. It was almost a Houston benefit show as Ken won the Men's prize (a magnificent Mazda jacket) by the narrowest of margins from Max Heitman and Vicki lost to visitor Pat Collins on a toss of the coin for the ladies event.

Auction

At the conclusion of the day a very successful auction was conducted which raised \$347 for the State League fund. Our thanks to the following donors for their generous support: Tennis Success, Peta Currall Hair Salon, Pepsi, Hopman Cup, Sheraton Hotel, Bunnings, Sport Spot and Slazenger.

STATE LEAGUE

Mazda City's State League teams at Hensman have again breathed excitement into the WA competition.

Peter Overheu is managing the Men's team this year and has arranged regular training sessions on Wednesday and Friday afternoons.

STATE LEAGUE (Continued)

Pepsi have supported the team by providing them with practice shirts and Peter has called on past football team-mate Trevor Sprigg for a donation from Swan Brewery.

Our Men's State League team have re-scheduled their Sunday match on 29 November to be played at Kings Park, to assist our court situation.

Also the match on 13 December will be played at Northam, in line with Tennis West policy of each club playing one match in country areas. Northam club we understand are over the moon about the coming clash, and any members wishing to make the trip to Northam for the day are asked to contact Lyndon Morgan-Hobbs.

JUNIOR HOPMAN CUP AT HENSMAN

Hensman will be a hive of activity on the Monday and Tuesday after Christmas, when we host the qualifying rounds of the inaugural Junior Hopman Cup by Pepsi. The top 16 year old boy and girl from each state in Australia will take part in this event which is styled on the senior Hopman Cup mixed format. It is particularly exciting for Hensman this year as our Siobhan Drake-Brockman has been chosen as WAs representative together with James Sekulov (brother of another of our leading juniors) Monika Sekulov.

MARK TORY JOINS STATE LEAGUE

Mark played for North Beach previously, in company with friend Ashley Burton. He has been working in the USA and Papua New Guinea for the last eighteen months as an Accountant and on his return was keen to resume his State League tennis career, hence deciding to join Hensman.

Aged 24, Mark has been playing since he was 10 and represented WA in the Pizzey Cup in 1985 - the year we were runners up.

Mark was sent to work in America by his employer, Deloitte Ross Tohmatsu, and said he was surprised to find that the office technology there was far behind that in Australia. In Papua New Guinea he was teaching the locals how to use computers and understand accounting systems, something which he found very rewarding because of their enthusiasm to learn.

A keen sportsman, Mark plays A Grade football for Mt Lawley in the winter months and

plays midweek indoor cricket, volleyball and basketball !

Mark, who is single, is a grass court lover and says the thing he enjoys most in life is meeting new people. He enjoys the friendly atmosphere at Hensman and the broad range of people at the club and we wish him well.

JUNIOR HOPMAN CUP (Continued)

There will be matches on Monday 28 and Tuesday 29 December at Hensman and the finals will be played at the Burswood Superdome on Wednesday 30th.

Glynis Barber is Tournament Convenor and is heartened by the initial response to her requests for help. We are seeking additional lines-persons for the event and anyone able to assist should give their name to Glynis or to Phil Searle.

TENNIS WEST APPOINTMENTS

Congratulations to Bill Artingstall on his election to the Board of Tennis West for the coming year, and to Andrea Mitchell who was re-elected unopposed as Vice President at the recent AGM.

PROVISIONAL JUNIORS

There has been an excellent start to the season with numbers well up on last year. Particularly pleasing has been the number of girls attending. Keith Begley has given two coaching sessions to the PJs and these were greatly appreciated by all those present.

We conducted a Pepsi Prize day recently and the winners were: Brooke Stafford, Pippa Parnham, Carlo Marciano and Morgan Clark. Special thanks to Pepsi for their support for this event.

Don't forget the Twilight Tennis evening planned for Friday 18th December. It commences at 4.30pm and is followed by a bar-becue at the club.

NEW MEMBERS:

Congratulations to the following who have recently been admitted to membership of the club:

Bob Margesson, Brett Prunster, Mark Tory, Ivan Jordanoff, Allison Webster, Deborah Nicolay, Greg Nolan and John and Lisa Lewis.

An informal welcome is to be made to our new members on Saturday 28th November after social tennis.

GROUNDS

Courts 9 - 12 are spreading well with the warmer weather, however it is doubtful whether they will be ready for play before Xmas. The courts on the bottom bay are battling with the spring dead spot patches, and it is planned to rest one court each week in an endeavour to restore them. Recent enquiries reveal that winter-green grass develops spring dead spot after 18 - 24 months, however as more experience is obtained in its management the virus can be gradually controlled. Others who have had winter-green for some years are delighted with its positive qualities which they say far outweigh the difficulties experienced initially with the virus. In the meantime the patience being shown by members is greatly appreciated.

Thanks go to Kevin Fitzgerald and his willing band of helpers who have been active on fence repairs, brick paving, tree lopping, tidying up in and around the clubhouse and repairing damage at the back of the synthetic courts.

The landscaping has really enhanced the appearance of the grounds and our thanks go to Randy Raux and Norm Burkett who donated the large palm.

Mark Watson has resigned his position as club grounds-man effective from the end of November, and we thank him for his efforts at the club in recent years. Arrangements are being made to appoint a new groundsman.

20 YEARS AGO

Peter Campbell was Club President and celebrated by winning the Married Couples Handicap tournament with wife Joan. Doug Napier and Kerryl Chute were Club Champions and Barry Tognolini won the Junior Boys title.

New members included Anne Saunders (now Hall), Erica Smith (now Andersson) and Garry Napier.

Doug Napier was appointed Club coach following the retirement of Don Harris who had held the position for 15 years.

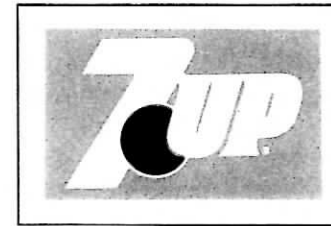

11 teams were entered into the pennant competition but none were successful. 105 members attended opening day.

Margaret Napier was appointed ladies captain, a position she held for the next 7 years.

From busy bees were organised to assist on court maintenance, removing weeds, grass clippings etc.

HENSMAN'S STATE REPRESENTATIVES

Congratulations to five of our members who have been chosen to represent the State in team events in the coming months. Mark Hlawaty has been chosen in the State senior team to play the Challenge Cup, Siobhan Drake-Brockman in the Wilson Cup for 18s (not bad for a 14 year old!), Monika Sekulov in the 16s Reid Cup and Luca D'Orsogna and Mark Williams in the Sproule/Stephens Cup for 14s.

PENNANT UPDATE

This season we are represented in the pennants by 18 senior and two junior teams. We are again making extensive use of hired courts (at Aquinas College) to avoid limiting the number of courts available for social play.

At the end of four rounds our Ladies Mazda City State League team has one win and our Men's team two. The Men's team is missing the services of Peter Gerrans and Keith Begley at 3 and 4, however Colin Napier has made a solid contribution at no 3 with two wins in singles and a similar number of doubles successes. Mark Hlawaty continues on with his great form, remaining unbeaten at no 1. Jeremy Muir, Mark Tory and Peter Overheu are new to this year's team and are settling in well.

Siobhan Drake-Brockman has turned in exceptional performances, winning three of her four singles in the number one spot, including victories over Donna Blackwell and Angie Marik. Glynis Barber has returned after a 12 month stint in Canada, and she has performed very well in the number 3 spot. Monika Sekulov returns in early December.

The other pennant teams have completed three games and at this stage the overall club performance is a fairly modest one.

Only two teams can boast an unblemished record: Leanne Davy's Saturday Div 5 and Steven Ker's Sunday Division 10.

SOCIAL SETS

With the unseasonal weather we have had recently it is not too surprising that attendances have been down, however hopefully now we can look forward to some real summer afternoons that will be conducive to pleasant social tennis.

We have organised a Roster of members to arrange the sets, and they will be doing this manually until the 9-12 bay of courts comes back into play. The computer program for sets has been used once but the lesser numbers and the restricted number of courts available made it impractical. Ken Houston and President Garry have been in consultation with the programmer and it is hoped the recent update of the program will incorporate the changes requested. Ken and Garry are doing further research into the workings of the program and will be instructing the members rostered once it has been tested properly.

SHARING THE LOAD

It has been conservatively estimated that to run our club each year involves a minimum of 4,000 (yes 4,000) hours of voluntary labour from our members. In addition to the time put in by the President, the Board of Management and their respective committees, we have those rostered for set duty, for afternoon teas and for the bar.

If we were to pay for this time at say \$10 per hour we would have a \$40,000 expense to meet, which would equate to an increase in subs of \$130 - \$150.

It is for this reason we share the load and prepare rosters, generally involving members in helping out a couple of times per season on the bar or the afternoon tea.

Unfortunately on a number of occasions those rostered have not attended, which has caused some havoc in making hasty stand-in arrangements. We do ask for your support in sharing the load, and if you are unable to attend on a certain day then it is your responsibility to arrange a swap with another member.

FILM NIGHT

The State League committee organised a very enjoyable film night at the Cygnet Theatre on Thursday 26th November. Funds raised went towards the State League teams and we are grateful to all those who sold tickets.

Lois Ker and Marlene Morcombe receive special commendation for selling 20 tickets each. Our thanks also to our erstwhile printers, Bob and Pamela Hollingsworth of Canning Bridge Print who printed the tickets free of charge.

KNOW YOUR MEMBER

KEVIN FITZGERALD, this year's Grounds Chairperson, was born in Mingenew in 1922, completed secondary schooling at St. Patrick's College in Geraldton and then attended Claremont Teachers College. He joined the Army in 1941 before transferring to the R.A.A.F. as an instructor.

He returned to teaching in 1945, but after short assignments at the two agricultural schools at Denmark and Narrogin, decided to take advantage of the federal government's training scheme for ex-servicemen by enrolling at the University of W.A. graduating with a B. Sc. (Agric.).

In 1950 he joined the Dept. of Agriculture and was immediately sent to the Kimberleys where he operated in the Research Station. In 1960 he was given the responsibility for the regeneration of the Ord River catchment area, a role he carried out for a further 12 years.

A couple of months prior to his retirement in 1982 he travelled to Moscow to deliver a paper to agricultural experts from 17 different countries.

Despite all these distractions Kevin managed to play plenty of tennis and progressed to top senior ranks in N.S.W., Vic., and S.A. during his service days. Later he competed successfully in W.A. country tournaments and at the 1949 Great Southern Championships he won the men's singles title and partnered Bob Howman to victory in the Men's doubles.

Kevin joined Hensman in 1967 and re-established his strong links with the game. He was quickly back into competition and won the club veteran's doubles in 1970 and 1971 (with Frank Thomas) and participated in the winning veteran pennant side in 1973/74 - again with Frank.

During his 25 years at Hensman he has made a big contribution to the management of the club, including 4 years as captain and 5 as vice president.

He has a very understanding wife, June, 3 sons, 1 daughter and 2 grandchildren. Since retirement he has been heavily committed at State committee level, with the St. Vincent de Paul organisation assisting the homeless and in the distribution of food to the needy.

NETWORKING WITH SPONSORS

Our sponsors have supported us financially again this year, and in these times they naturally appreciate any reciprocal support we can give them. We have approx 400 members, but when we members spread the word amongst our family and friends that number could snowball to 1000 or maybe 2000.

In addition to helping our sponsors in this way, we can provide an incentive for them to continue their association with us in future years. Happily many of our sponsors do receive substantial support from members.

Changing cars does not occur that often, however when it does we can help Mazda City and the club by giving them the opportunity to quote on a deal for you. Under the new sponsorship agreement we as a club receive a small spotters fee for each deal initiated via the club. For this reason it is important to introduce yourself to David Lauder or Howard Besant when you contact Mazda City, and advise them of your connection to Hensman.

This year the club is obtaining its liquor supplies from Mends Street Wine Bin in Mends Street, South Perth. When calling on them ask for Ray, Vladimir or Richard and tell them of your Hensman member-ship. Members are offered a 10% discount on any items not on special at that time.

CAPTAIN'S V PRESIDENT'S MATCH

Playing for the Kevin Fitzgerald shield were two evenly matched teams and it turned out to be a delightful afternoons tennis, even though President Garry looked a trifle stunned when he found out that his team had wilted in the final round of the afternoon and were beaten by a narrow margin. Because of last years packed program this match decided the 1991/92 competition and we will program another Presidents vs Captains match in the second half of the season to decide the 92/93 winner.

SUGGESTION BOX

Thanks to Ross Totterdell who has constructed the new suggestion box inside the main hall. Now all we need is for it to be filled with ideas from members on ways of improving our club.

We have already had some suggestions one of which is the provision of ball-holders on the synthetic courts to prevent balls rolling around at the conclusion of sets - this is being investigated at the moment.

FINANCES

We have funds on hand of \$12,288 after payment of \$17,620 to the Synthetic Court Contractors. Hall hire income continues as a handy side earner for the club, and at this stage it appears the finances are overall in line with the budget. The early payers prize of a club shirt went to Mike McLean.

JAZZ NIGHT

New Social Chairperson Wendy Ellis and her team organised a delightful evening at the club on Saturday the 7th November. The six man Storyville Jazz band kept the music up to a busy dance floor, and seemed to thoroughly enjoy themselves in the process. The evening concluded with coffee and some cakes that did nothing for ones waistline.

Cliff Carter was on the floor for every dance and put some of the younger ones to shame ! For those wanting to see more of our State League teams, all they had to do was turn up to the Jazz Night as seven of the ten were present and thoroughly enjoyed themselves. Although the evening ran at a small profit, it was a great event and a pity more than sixty six members did not share in the fun.

JUST THINKING...

In a democracy everyone has the right to sound off about what's wrong...
...but wouldn't it be nice if every now and then some of the world's fault-finders could be just as articulate about the things that are right...
