VOL. 5 NO. 4

FROM THE PRESIDENT

Dear Members,

Though we are coming to the end of the grass court tennis season, interest at Hensman has continued on a high note. It seems ages now since the finals of the shield competition. We congratulate all the players involved who were in the winning teams and hope they will make an effort to attend the Club dinner so they can be presented with their shields by W.A.L.T.A. Past-President **Barry Sanders**. The two ladies mid-week teams finished in fourth position but unfortunately they both lost to the respective No. 1 teams in the finals.

The response to the CLUB CHAMPIONSHIP and HANDICAP TOURNAMENTS was really great. The entries showed nearly a 100% increase on two years ago. This certainly put pressure on the captains with the organisation and some matches had to be completed after Easter but I felt there was a good atmosphere at the Club during the tournament and the people understood the difficulties. I was particularly pleased to see that it was not a tournament for 'the champs' and pennant players but was fully supported by the 'social' players. Handicap tournaments, especially, are aimed at giving everyone a chance and from some of the close results recorded this was achieved. Congratulations to all the winners and better luck next year to those who just missed out.

Socially the Club has been rolling along — the Italian Night and Quiz Night were both excellent and from what I hear of plans for the CLUB DINNER this will be special too. Better book early to avoid disappointment.

The IAN HUTCHISON REAL ESTATE ROUND ROBIN DAY was once again a great success. 128 players from our club and from other areas spent the day in friendly competition. Some of the 'first timers' from other clubs have asked to be invited again next year which is a good recommendation.

KERRYL CHUTE is off to FRANCE on May 6 to represent Australia in the YOUNG CUP for Ladies 40 years and over. The Committee felt some acknowledgement of this honour should be made and presented her with a cheque for \$50. We wish her every success on the trip and look forward to hearing results from the event. **Pam Hatt** from North Beach Club will be another member of the team.

There was only a small team of us at the Busy Bee recently, however quite a lot of work was done. One obvious improvement is piping at the base of the fence between the synthetic courts and the laneway. The wire fencing has been attached to this and so there should not be a problem with balls rolling under it in future. The pipes and fittings cost just over \$400 but if it proves successful the two internal fences will be done the same way. Thanks to **Clem** for organising the pipes and bringing along his cutting machine.

Due to the laneway, playground and City of Perth Tournament there has been a need for more busy bees than usual this year. It is of some concern however, that it is usually the same people and mostly the Committee, who have other responsibilities, who come along. I have suggested that next season the Club consider hiring a retired person for two or three hours a week to regularly do the jobs that are normally done at busy bees. A \$5 levy per member would probably be sufficient to cover the cost. Give this idea some thought and let me or members of the Committee know how you feel about it.

If the weather stays reasonably fine the grass courts will remain open until the end of May. It will be necessary to reduce the number to avoid excessive wear in some areas but with the cooler weather and hopefully some rain, the synthetic court surface will be more appealing.

I would encourage members now to start thinking about taking a more active part in the running of the Club next season. Several people have indicated that they will not be renominating for the Committee. Do you have expertise that you would like to use to help the Club run smoothly? Give it some thought and discuss it with a Committee person.

This is the last HENSMAN HERALD for this season and sincere thanks need to go to **DENE** and **JUNE RUNDLE** for all the hours they put into the preparation and distribution. Communication is very important and the Herald keeps members up-to-date with what is happening.

I'm sure everyone would agree that the 1987/88 season has been a tremendous one.

Best wishes for happy tennis over the winter months,

MARGARET NAPIER

SOCIAL NOTES

Lynn Bremner is President of the W.A. Ladies Justices Association and has been busy hosting a National Conference here in Perth * **Peter Mannolini** has gone to Germany and will be putting his many computer skills to work whilst over there * **Paul and Kerry Wright** look forward to the arrival of their first infant later this year ... as does Granny Dot! * **Jim Syme** fell out of a tree recently and it has scaled down his tennis activities somewhat * **Phil Searle** performed well in the Championships and was no doubt inspired by the presence of his mother **Robin** and brother for the Men's Doubles final * **David Artingstall's** photo appeared in the paper recently, having graduated from a hospitality training course * **Grant and Ceili Mitton** have settled into their home in Kensington and we understand Grant is making a bid for the Olympic Hockey team * The Lawley Tennis Club in Albany are opening their new complex shortly and it is fitting that foundation member **Bob Howman** accompanied by **Margaret** have been invited to take in this big milestone in the Club's history * **Craig Ellis** and **Peter Hamilton** are setting up a landscaping business * **Jane Rundle** is getting married on 29th of May * Congratulations to **Darryl Schroeter** and **Kelly Bevan** on their recent marriage * **Louise Hackett** has announced her engagement — congrats and best wishes from your fellow Club members.

TENNIS BALLS

Good quality used balls in plentiful supply are available for sale, ranging from \$2.50 to \$4.00 per tin of four. Contact **Garry Napier** if you are interested in purchasing.

PARKING

A letter of complaint has been received from Concorde Nursing Home re tennis players parking in their private parking areas and on their registered street lawn and breaking the sprinklers.

It is most important for the Club that good relationships are maintained with all our neighbours. I would ask members to park only on Club premises (not in the four Committee bays though!) or in the adjacent streets. There is always parking on the Club side of Coode Street available and members can come through the laneway or across the back of the courts. Your co-operation would be appreciated.

CAPTAINS CORNER

Captains v Presidents Day

The battle for the annual Cup was played on 20th February (probably the hottest Saturday of the season). Numbers were a little down, however there was plenty of friendly rivalry between the two teams and once the President's team took the lead they were never headed, running out convincing winners 260 games to 236.

Club Tournament

This year's tournaments have attracted the largest entry in the history of Hensman Park. The table below highlights the dramatic increases in the numbers over the last three seasons. With the big increase from 1986 to 1987 it was quite unexpected to see a further huge increase in 1988. With only three weekends allocated to the tournament it was always unlikely that the events would be all finished before Easter. It would seem that irrespective of the holiday situation next season it will be necessary to start the handicap events two weeks before the championship events and run for a total of five weeks.

Although exemptions have generally been treated favourably, there is no doubt that some of those granted have seriously affected the ability of the captains to complete the tournament, and a tougher stance should have been adopted. Closer scrutiny of exemptions must be considered in future years. Another factor which has caused problems is the availability of courts on the Sunday morning. We of course do not have access to the synthetic courts. It was also significant that the restructuring of the junior events, with changes from championship to handicap events, together with our commitment to play as many junior matches as possible on Sunday morning, resulted in good entries in these events.

It is obvious from the size of the entry that the majority of club members consider that the competitive aspect of their tennis to be very important.

WINTER PENNANTS

Any members wishing to play winter pennants, should contact **Garry Napier** or **Anne Hall**.

All matches will be played on either the club synthetic courts or an alternate hardcourt venue (e.g. Trinity, Aquinas). All players must nominate by **NO LATER THAN 28th APRIL, 1988**.

Fees are not yet to be calculated but could be expected to be approximately \$25.

Higher grades and juniors play on Sunday mornings. Low grades and veterans play on Sunday afternoons. Fixtures commence on June 12th and finish on August 21st.

IAN HUTCHISON ROUND ROBIN

A full complement of 128 players took part in the annual round robin and once again we were blessed with fine weather. It was pleasing to see the number of visitors from other clubs including Kalamunda — **Greg** and **Donna Cocking** were along and **Steve Wilson** came all the way from Wickepin. It was great to see **Verna Hutchison** teaming up with son **Ian**, and although **Don Hutchison** wasn't competing on the court he well and truly held his own later in the day! **Helen Hames** from **Ian's** real estate company was there for the presentations and the enjoyable happy hour * A delightful luncheon was served and **Gwyn Thomas** and **Noreen Ince** and a team of helpers saw to this * **Pam Gardiner** carried out the arduous task of writing up each player's name on the boards, while **Karen** and **Dene Rundle** handled the match box for the day. **Mike McLean** was in charge of the bar with some help from his father, **Dudley**. The trophies were purchased by **Marg Napier** and **June Rundle** and as usual everyone stayed for the presentations and the drawing of the lucky prizes. President **Margaret** thanked **Ian Hutchison** and his family for the support they have given to our Club over the past six years, and wished **Ian** well in his new real estate company which now operates from offices in the Millstream Centre. **Ian** responded suitably and then presented prizes to the winners. **Cathy Hutchison** drew out the lucky numbers from the barrel, and by the end of the day it seemed most people were going home with something. The humid weather made the bar a popular spot well into the evening, even drawing **Ken Pitcher** down to share a drink with the Hutchison family. The profit from the day was again in excess of \$1500 — all in all an enjoyable and satisfying day from everyone's point of view.

QUIZ NIGHT

This was an outstanding event (something we've come to expect from our livewire Social Committee in recent years) and 130 people turned up for some brain-testing questions from **Frank Thomas**. The winners were **Paul, Barbara and Marty Whitely** accompanied by **Margaret Stockton and Bernard Egan** — thank goodness they didn't have six or they would have shown us up even more! They have won a dinner party at Fred's Food Affair. **Ray Laurie** looked resplendent in his dinner suit and this was topped off nicely when he won a black hat. A few yachting questions were quickly answered by **Warren Jones'** table and it was easy to pick out the TV addicts after the second round of questions which related to theme songs from various TV series. Every table scored something during the evening and the Social Committee are to be commended on the excellent array of prizes they were able to offer the contestants.

A special thanks to the following who donated prizes:

John Horman — Sara Lee — Dial-A-Dino — Big Rooster — Boral Cyclone — Civic Theatre — W.A. Theatre Company — Adventure World — Food Affair — Atlantis Marine Park — Souths Newsagency — Fairlanes Bowling — W.A. SPONSORS' DAY

Saturday, 9th April was set aside to introduce our sponsors to members and to have them take part in an afternoon's tennis. A competition was conducted during the course of the afternoon and the two winners were **Sue Taylor** and **Fred (Food Affair) Donner**. Fred was delighted to learn that the prize was a travel bag from our travel sponsor **Bill Artingstall** and not a meal at a certain Fremantle restaurant! **Ian Hutchison** played tennis all afternoon, enjoying the break after having shifted his real estate business into larger premises during the week — he now operates from the Millstream Centre in Mends Street, South Perth. **David Armstrong of Bridge Settlements** was hitting a mean tennis ball, although he is a four handicap golfer and we suspect you'd be doing a different sort of settling up with him if you take him on at that game. **Mark Devereaux**, Vic Park Manager of **Melville Motors**, is a keen tennis player and knows the car game inside out. He has been with the company for 12 years — give him a call at Vic Park if you're contemplating a car change. **Charles Piccetti** was busy trying to cast his frame around the tennis court and **Eric Pearce** (Mr Painter) was represented by son Craig at the day. **Captain Garry Napier** welcomed the sponsors to the day and acknowledged the valuable support they are giving to Hensman. The Social Committee turned on savouries to accompany drinks during the "happy hour" at the end of a most enjoyable day.

EASTER TOURNAMENTS

Unseeded **Colin Napier** was the big winner at Kojonup, beating **Neil Mattingley** in the final. Colin was quick to acknowledge the part **Ian Rundle** played by knocking out the top seed in the first round! **Graeme Rundle** and **Alan Andersson** took out the Men's Doubles, while **Dick Ker** and **Alan Morcombe** won the Men's Doubles Plate. At Corrigin it was **Clem Overheu** and **Bill Artingstall** who once again were successful in the Men's Vets Doubles. **Rachel Cook** had a great win in the Beverley Ladies singles, beating **Sharon Massey** in the final. **Debbie Thomas** was runner-up in the Ladies Singles event at Northam.

WINTER TRAVEL

Peter Overheu is in Europe for a stint and we understand he will be spending time with **Rob Murton** in Germany * The **Inces** and **Whitelys** have both planned extensive holidays overseas this winter, the highlight of which should be attending the wedding in Dublin of **Martin Whitely** and his delightful Irish fiancée **Melinda** * The **Napiers** will be our representatives at Wimbledon this year and the **Gardiners** also if **Cec** can organise his leave * The **Thomas's** are also heading to Europe and **Kevin** and **Sue Harwood** will be in Italy attending a refrigeration conference! * **Betty Hutchinson** is not going to any conference but she is going "north" to Alaska — can you beat that? The **Haleys** have moved off in their caravan on an extended tour around Australia * **Simon Dubois** will be putting his Porsche in the garage later this year when he heads off for a well-earned overseas break.

KNOW YOUR MEMBER

Norm Burkett is a relatively new member to Hensman, but has become so involved that it feels as though he has been with us for years. He is shortly to take over management of the Bar from **John Ince**.

Norm spent his first 17 years in Inglewood and has spent the remainder of his time (apart from a year overseas) in Como. After finishing at Hale School in 1959 he settled into Medical School at UWA for the next seven years, and was resident Medical Officer at RPH in 1967.

In 1968 he travelled by sea to U.K. via Panama. His visit to the Panama Casino was highlighted by his being forced at machine-gun point to remove himself because of his inadequate dress (shorts and long socks). He returned suitably dressed this time and proceeded to win a substantial amount!

Norm worked as Medical Officer on the film set of "Battle of Britain" — by the same producers of the James Bond film series. Budget for the film was \$32m. Norm was attached to the Air Wing, filming all the flight sequences which involved Spitfires, Messerschmitts, and Heinkel bombers. These planes were obtained from various collectors around the world, including a group of American millionaires who lent their planes on condition they flew them in the filming. Met Kenneth Moore and attended medically to Susannah York. Went up illegally in a Heinkel bomber and mucked up some good filming when he emerged from his hiding place and got in front of the camera!

Arriving home in 1969, Norm went into general practice in Gosnells and has been there ever since — it is now a large group practice with seven doctors.

Norm has played squash and football and enjoys a week's deep-sea fishing off Exmouth each year. He has been a keen West Perth football supporter since childhood and was Club Doctor during the Graham Campbell era. He has owned several horses in partnership with Randy Raux with some success — most notable being pacer Young Robbie in the mid-70s. The casino enjoys the patronage of Norm occasionally. He likes dining out and having a cool beer and a chilled white wine. Fitted into all of the above, Norm has been an officer in the Army Reserve since 1966.

Tennis took a back seat in Norm's life between his early teens and 1987 when he joined Hensman — he is back with a vengeance now, playing in one of our Sunday pennant teams and his ambition is "to keep playing tennis, and combined with Randy, to beat **Frank Thomas** and **Ross Totterdell** in our social grudge matches held every Wednesday!!"
