

HENSMAN NEWS

Another year is about to begin and we look forward to seeing you all at our opening on SATURDAY, 4th October. The courts are in much better condition now than they were this time last year so we can all look forward to a very enjoyable season.

Once again we are entrusted with the staging of the State UnderAge Championships in February next and we will need your support if we are to successfully stage this event. The financial gain from last year's tournament was over \$1,200 and without this our subscriptions would be approx. 10 per head more - therefore it is in your interests to help at working bees and in the canteen during this event.

Social Matches, Pennants and Club Tournaments are again planned and details will be given during the first few weeks after the Club opens.

As always we expect to welcome many new members during October - each of you please do your part to make each of them feel welcome.

Hoping to see you on the 4th to get our new season off to a bumper start.

DENE RUNDLE - President

At the Annual General Meeting held last month, the following were elected as Office Bearers for the 1975/6 Season:

President:	Dene Rundle	Men's Captain:	Ian Hutchison
Vice President:	John Ince	Vice Captain:	John Turner
Secretary:	Joy Glennie	Ladies Captain:	Margaret Napier
Treasurer:	Dorcen Potter	Vice Captain:	Barbara Whitely
Committee Members:	Barry Tognolini, John Miller, Doug Napier Joy Richman, Elaine Skipworth.		

The Committee require your support and enthusiasm to enable them to perform the difficult task of running the Club.

BARRY TOGNOLINI has been running a successful series of Fitness Classes at the Club on Wednesday evenings. These will cease when the tennis season starts.

HELEN DALLIMORE will be the Club's entrant in the Miss Tennis Quest this Season.

KEITH BEGLEY, PETER HCLMES, TREVOR THOMPSON, MICHELLE HULLETT and ROBYN WOOD were selected in State coaching squads held during the winter. This would be the best representation of juniors the Club has had for a number of years.

Unfortunately we will be losing JOHN & COLLEEN MORRIS and ROSS & BERYL HARROLD before the end of the year due to interstate transfers. Both families have been keen members and we will miss their support while at the same time wishing them every success in new ventures.

MICHAEL HALL and SIMON FITZGERALD were selected in the State Under 16 Hockey Team.

At this stage no further developments have been made regarding premanent extensions to the Clubhouse and for this Season anyway we will be erecting a temporary structure behind the Clubhouse for those wishing to enjoy a drink after the day's play.

The Committee has approved the wearing of coloured clothing however it must be restricted to clothing made specifically for tennis. The exact wording of the rule applicalbe to clothing will be placed on the Club Notice Board.

JACK RENNICK, due to illness, was forced to resign, a few weeks ago from the position of Groundsman and the job has been taken on by BERT WASLEY. The courts are looking really good at present and it must have been pleasing to Jack to leave them in such a good condition.

We have no doubt Bert will be an able replacement but please remember that on the weekend Bert is there to enjoy a game of tennis and doesn't want an 'ear bash' on everyone's theories of court care - these are his days off.

LADIES - If you wish to play Mid-week Pennants you must give your name to Doreen Potter or Margaret Napier BEFORE 30th September. Opening Day will be too late so do it now.

OPENING DAY Afternoon Tea - No charge but a plate of eats would be appreciated.
