HENSMAN HERALD

Spring 2002

FROM THE PRESIDENT

There isn't a lot to report at this time of the year except to welcome everyone, old and new, to season 02/03 and wish a great time to all.

One thing I would like to say, and I am sure I speak for everyone here, is to offer congratulations to Cec Gardiner on a fantastic job as president of our Club over the last few years. Cec did a tremendous amount of work for the club and will be a hard act to follow. It is a great relief to me (and probably to others) that Cec has remained on the Board and taken on the job of Social Co-ordinator. Thanks Cec.

This year we have a mix of "old" and "new" on the Board and business is running smoothly. It is a good mix of enthusiasm and experience,

which should serve the Club well in the coming season. All members of the Board are willing to listen to any ideas and suggestions for improvements around the place and appreciate the interest shown by those who put forward their ideas - in a nice way of course!

Our hard courts are being resurfaced from 23 September and will be ready in time for Opening Day (weather permitting). From the look of the grass courts, they seem to be coming along very well and should be well and truly OK for Opening Day.

All that remains for now is for me to see all our members, old and new, on Opening Day when I shall introduce our Board.

Looking forward to a great year of tennis and camaraderie.

Joan Bonser

Know Your Member

Joan Bonser: President H.P.T.C.

Joan was born in East Fremantle and went to school at St Joseph's College, Fremantle, where, as she willingly confesses, she contributed greatly to the agony of the incumbent Nuns.

Early in life Joan began hitting balls on her grandfather's (who happened to live next door) court. In her first tournament she was runner-up in the under 9's, and progressed to winning a "a few titles here and there" at a number of venues around Perth. Around the age of 15 or 16 in Joan's own

words "the world opened up and tennis took a back seat to more exciting pursuits". Please speak to Joan for more details on what this means.

Interest in tennis did not return until after the birth of her son, David. Beginning again at East Fremantle she became Club Champion and a member of the winning Ladies A Reserve pennant team.

Changes came quite rapidly over the following years as Joan moved to Hensman, then Geraldton, then Canada, then Fremantle before finally returning for her long stay at Hensman again.

Joan has been (and still is) a fine player for our club, and an extremely friendly and cheerful social member. She has a reputation for making sound decisions so it is not surprising that she enjoys watching cricket and barracking for the Claremont Football team. A little more puzzling is why she is so keen on the Wallabies Rugby Team, but her support of the Collingwood Footy Team is truly baffling.

Sponsorship Report

We are pleased to advise that we have retained all of our sponsors from the 2001-2002 season with the exception of Beudenes which has been sold. We have secured the Karalee Tavern to replace Beudenes at the same level of sponsorship.

Wherever possible please engage the services of our sponsors and let them know that you are supporting them due to their sponsorship of Hensman Park Tennis Club.

It is often difficult for sponsors to gauge whether their sponsorship is achieving the desired result i.e. providing them with additional business. Therefore it is on occasion difficult to encourage sponsors to continue to support Hensman Park Tennis Club if they are unaware of the volume of increased business resulting directly from their sponsorship. To assist in retaining our sponsors please help us to help Hensman Park

In conclusion, we have vacancies for two sponsors i.e. 1 Gold and 1 Silver level sponsors. If you are aware of a business which may be interested in sponsoring Hensman Park please call me with their details on 0418 922 100 and I will be happy to approach them personally.

Thank you
Ian Hutchison
