VOLUME 12 No.1

PRESIDENT'S MESSAGE

Welcome to the first Hensman Herald for the 1994/95 season. Thanks to our budding poetist for being so efficient and quick off the mark. Opening day, October 8 heralds our new season. On behalf on the entire Club, thanks to the previous Board, sub-committees and helpers for their efforts in the past season. To the new Board, congratulations on being elected and to club members for electing us. I know the entire Board is keen to provide positive results for Hensman. In three meetings held so far we have considered the aspirations and ideas of direction and hopefully we can implement some or all of these with beneficial results.

As the season progresses, I am sure members will have ideas, suggestions and even criticisms (constructive I hope). The Board is keen to listen to any comments; we request any such comments be submitted in writing to the appropriate Board member who will ensure that the Board considers the matter, and that a reply is forth coming.

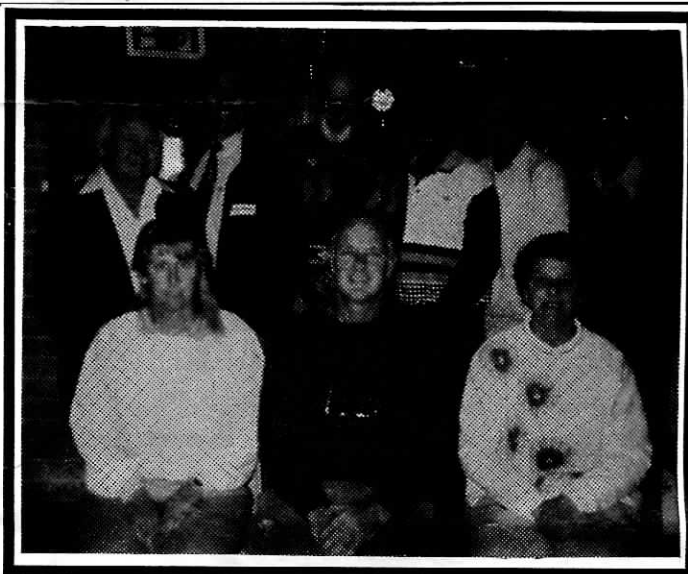

Hensman have had a deservedly honored history. I trust this year we can continue in the proud tradition in social tennis, pennants and social functions. Hopefully, social players will support pennant teams and pennant players will mingle with and play socially whenever possible. I am sure our social committee will produce great social events; supporting these as well as playing together obviously enables us all to meet and to know one another. The club then benefits.

The Board has already noted concern at the shortage of juniors in our ranks. This is apparently not isolated to our club - but we are keen for Hensman to reverse the trend. We have introduced some new ideas and ask all members to both encourage new junior members and to take an interest in the junior. Keith can use help (eg. Sunday mornings). He assures me even unorthodox cutters, lobbers and plodders can be of assistance.

The creche was obviously a success last year. Thanks to Anne Hall for getting things started again.

With the pennant season about to commence we have the ongoing problem of court allocation for social and pennant

continued...

play. Unfortunately, we just don't have enough grass courts for the peak time. The Board has discussed the allocation at length and tried to be fair to all - social players pennant and state league players and spectators. We need to hire courts for some pennant teams (hopefully grass and/or hard court). As the season progresses and we observe what is needed for social play, we may bring pennant teams home when courts become available.

Thanks must go to Craig Ellis and Kevin Fitzgerald for the attention to the courts and interest in their presentation. I know they are keen to provide us with top quality courts as often and as long as possible. We must listen to their advice and requests re resting, closure due to moisture, rain etc. Please observe signs when used by the grounds committee. Unfortunately the committee are of the opinion that the spring dead spot fungus is still active; however they are confident that it is under control and hopefully any disruption will be minimal. With the aid of time they will eradicate the problem.

Thanks also to Kevin and his monthly "boys". Their work has continued all year, keeping our grounds in such a presentable condition. Emptying bins, unblocking toilets, cleaning windows, sweeping. Its not a pleasant job - thanks again.

Here's to a great year - enjoy your tennis and your Club.

CAPTAIN'S CORNER

SUMMER TENNIS LEAGUE

Application forms for the Summer Tennis League season were sent out in early September with a closing date of 20 September 1994. The closing date was a little earlier than in previous years to allow sufficient time for the Tennis League Committee to organise challenge matches so that intending players (existing & new) can be slotted into the most appropriate team position. The first round of challenge matches will be held at the Club (or Wesley College) on the weekend of 24/25 September. Details of challenge matches will be displayed on the Captain's room window on Thursday evening, 22 September (note: late tennis League applications will be considered up to 4 October 1994).

It is hoped to have Tennis League teams selected by Club Opening Day, 8 October with teams listed on the notice board. Final team positions, team divisions and fixtures will not be available from Tennis West until early November. Please keep your eye on the notice board.

A Tennis League Committee has been formed to help with the selection of teams and the Bumper Board. The members are Pam Smith, Ken McIntosh, Lynnette Gardiner, Nicole Pound, Graham Rundle and Alan Morcombe. Randy Raux and Frank Thomas have also been helping.

BUMPING BOARD

The current bumper board rules are displayed at the club. At the September Board meeting the start date for challenges was changed from 1 November to 1 October. We intend carrying out a further review of the rules in the next month for approval at the October Board meeting. Any suggestion, criticisms will be welcome.

A provisional bumper board will be displayed in the Club. This will be changed as a result of challenges and at the discretion of the Tennis League Committee. A final bumping board will be advertised on Club Opening Day.

Any members disagreeing with their placing should put their reasons in writing to the Club captain on a form available from the Captain's room.

KNOW YOUR LIFE MEMBER

Margaret Howman

Undoubtedly the most popular outcome of the recent Annual General Meeting was the election of **MARGARET HOWMAN** to the status of Life Member. It was fitting recognition of over 20 years of hard work and tireless service to Hensman.

Since joining with husband Bob in 1971, she has been continuously involved in a wide range of club activities. Apart from formal duties as a committee member for a number of years - 3 as ladies vice-captain and a long stint as afternoon tea supervisor, Margaret also applied her seemingly boundlessly energy to other less conspicuous areas such as clubhouse upkeep and security and attention visitors and new members. Occasionally her uncompromising approach may have raised a few eyebrows, but at no stage could her loyalty and dedication to Hensman Park ever be questioned. Probably, though, her most significant single contribution to the club was the setting up and organisation of ladies mid-week tennis.

Originally a Victoria Park girl, born, raised and schooled there, Margaret spent a period during the war and immediate post-war years in various parts of WA. In 1942 she embarked upon a nursing career, commencing her training at Woorooloo (at that time a large hospital for TB sufferers) followed by 12 months in Albany and then to Kalgoorlie. It was here she first met the dashing young Bob Howman during one of his visits home on army leave. Two years later, while Bob was based at Perth awaiting discharge, they organised a holiday in Albany where, aided and abetted by Margaret's sister decided upon a spur of the moment wedding, unaware that Bob was shortly to be sent to Albany when he resumed civilian employment with Australia Post. Meanwhile Margaret, who had been transferred to Bunbury hospital resigned her position to join her new husband.

Following the somewhat hectic but nevertheless romantic saga they settled down to a normal domestic life in Albany for the ensuing 5 years during which daughter Carol (now wife of MHR George Gear) was born and Margaret and Bob helped develop the Lawley Park Tennis Club.

Returning to Perth in 1951, they lived in Maylands for a short time before Margaret found herself back at Victoria Park. At his juncture Carrington Club's "Godfather" Norm Cunningham persuaded them to join them in the Southern Suburbs competition, where they remained until switching to Hensman. Their son Peter made up the Howman trio at the club and still retains active membership.

NIGHT TENNIS COMP.

At this stage it appears unlikely that courts will be available in the near future to run a night tennis competition. We are holding discussions with Tennis Success and are looking at incorporating interested Hensman teams into some of their Tennis League competitions. Keep your eyes on the notice board for further news. Please give your name to Ken McIntosh if you are interested in playing.

SOCIAL PLAY RANKINGS

We are planning to work with Ken Smith to formalise and publicise a club group ranking list based on a Tennis West system for all playing members. This will happen in October so keep your eyes on the notice board. As this is a new initiative constructive feedback from players will be most welcome. Any players dissatisfied with their grouping should put their reasons in writing to the Club Captains on the appropriate form which will soon be available at the Club. Again, this ranking system will be regularly updated.

LADIES MID-WEEK

Three Ladies Mid-Week teams will represent Hensman Park this summer with fixtures commencing on 26 October. Joan Campbell has again taken on the job of co-ordinating teams - thank you Joan.

A Gala Day for all Ladies Mid-Week players and reserves has been planned for the 19 October at a venue to be announced. Anybody interested should let Joan Campbell know by the 12 October. Good luck to all Hensman players for the coming season.

LADIES STATE TENNIS LEAGUE

Unfortunately Hensman was unable to nominate a Ladies State Tennis League team for this summer. It is our aim this year to work on rectifying this situation so Hensman can have a team for the 1995/96 summer. Any member who knows of suitable players that may be interested in joining Hensman Park next year please give their name to Pam Smith.

SOCIAL TENNIS

Social play has continued throughout the winter period with good numbers of members taking advantage of the Club facilities. During these months I have not used members on roster but have covered that myself. Rosters will resume in October (see following) through the tennis season, and I ask anyone who would like to be on roster to contact me.

I extend a welcome to all members for the ensuing tennis season and look forward to meeting and sharing with you the benefits of being a member of our great Club. Your Club Play Committee this year will be Ken Smith, Margaret Howman, Matthew Moylan, Leanne Davy and Ken McIntosh.

Medal Tournament

Saturday 22 October will be the first of our monthly tournaments. The highest score Men's and Ladies will win a trophy, and the entry fee for this will be \$1. There will still be social tennis for those who do not wish to enter or who arrive too late to be included. We hope this will be the forerunner of many more social competition days, so please come along and help us make it a successful event. To complete the day stay for the chicken dinner in the evening.

WINTER TENNIS LEAGUE 1994/95

Hensman Park entered 6 teams in the Winter Tennis League.

The season was interrupted many times by rain, particularly for Sunday players, but thats inevitable when you play through winter!

4 of our teams made the finals and 3 of those made the Grand Final, however only one team was victorious.

This team was our Saturday Men's Division 6 team captained by Mike Leatherby with other team members being Matthew Kirk, Scott Wilson, Tony Stojkoski and Richard Hlobic.

Congratulations to them and all of our players and thanks to those people who took on the roles of team captain's for the season.

TENNIS ATTIRE

Hensman has attempted to establish a standard of dress acceptable whilst playing at or for the Club. Direction from Tennis West means it is no longer a request by our Board alone. The general belief is that standards statewide have slipped and firm guidelines been implemented to "maintain an appropriate standard of dress and decorum".

GENERAL STATEMENT

All clothing must be designed and manufactured as tennis clothing and must be clean and tidy in order to maintain an appropriate standard of dress and decorum.

MALES

Recognized, acceptable tennis shorts and shirts (colours permitted), white or cream trousers, cardigans, jumpers, pullovers. Shirts must have a collar.

FEMALES

Recognized, acceptable tennis dresses, skirts (divided or otherwise) and tops, shorts, cardigans, jumpers and pullovers.

TRACKSUITS

Tracksuits, leisure suit slacks or similar garments (colour or white) may be worn over tennis attire immediately before play. Tracksuit pants may be worn during the hit-up only. A tracksuit may only be worn as an adjunct to (not a substitute for) normal tennis attire. During cold weather and subject to the consent of an appropriate official, tracksuits may be worn during play.

FOOTWEAR

Must be designed and manufactured as tennis shoes appropriate for the surface pertinent to the particular event in which the player is competing.

UNACCEPTABLE ATTIRE NOT PERMITTED UNDER ANY CIRCUMSTANCES & APPLICABLE TO BOTH MALE & FEMALE PLAYER

CLOTHING & FOOTWEAR

No sleeveless singlets, T-shirts, rugby tops, sweat tops, tank tops, and street attire.

No football, running or jogging, cycling, board, bermuda, boxer or walk shorts, swimwear, leotards, aerobic gear, stretch clothing, or body shorts worn under tennis shorts, leg warmers. No ripple sole, jogging, running, cricket shoes or shoes with raised heels or studs.

ADVERTISING

No bold lettering, writing or illustration designed as advertising or blatantly excessive and oversize commercial advertising.

We request that all members will comply with these guidelines and thank you in anticipation.
